

Maths Passport to Success

Pupil name:

MyMaths Login:

Maths Teacher:

This booklet is to help smooth your child’s transition into the next academic year. Research shows a ‘dip’ in a child’s attainment after a long summer break; we do not want that to occur. Please encourage your child to complete the tasks outlined over the summer holiday. Please return it completed on the first week back in September.

There are 14 MyMaths Homework Tasks – two for each week. These tasks have been set at a level suitable for your child’s ability. Encourage your child to organise their time! It would be a good idea for them to complete their tasks each week, say each Monday. If you are going on holiday, enjoy your break and complete the tasks on other days in the weeks you are not on holiday.
