Dear Parent/Carer,

The Department for Education have produced a new policy on Relationships & Sex Education (RSE), and have asked all schools to consult with parents regarding our academy's RSE provision.

Currently, the academy delivers age appropriate RSE to all year groups; an outline of this programme, along with our RSE policy is available on the academy website.

The aim of the new policy is to continue our current work around RSE, but to also have a greater focus on how to build and form healthy relationships in to adulthood.

Please find attached a leaflet from the DfE which summarises the changes that will be in places from September 2020.

Additional information can be found on the Department for Education website.

If you have any comments, or would like to discuss this further, please contact Ms Page.

Yours faithfully

Ms M Page
