

Textiles - Learning Journey

DT Y7		Baseline Position								
Topic	ELEMENT	Step								
		1	2	3	4	5	6	7	8	9
Knowledge	I have a very basic understanding of knowledge									
	I have a basic understanding of knowledge									
	I have a good understanding of knowledge									
	I have a good understanding of knowledge & can apply it some of the time									
	I have a good understanding of knowledge & can apply it most of the time									
	I have a good understanding of knowledge & can apply it the majority of the time									
	I have a very good understanding of knowledge & can apply it the majority of the time									
	I have an excellent understanding of knowledge & can apply it the majority of the time									
	I have an excellent understanding of knowledge & can apply it all of the time									
Manufacture	With help and support I have tried to make my product									
	With help and support I have made my product									
	I have used some tools and equipment to produce parts of my product myself									
	I have used tools and equipment correctly to make my product									
	I have used the correct tools and equipment and used them with some accuracy to make my product									
	I have used the correct tools and equipment skilfully and accurately to make my product									
	I have used a range of processes correctly and skilfully to produce a well-made product accurately and correctly. My product meets the design brief / specification									
	I have used a range of processes correctly and skilfully to produce a well-made product accurately and correctly. My product meets the design brief / specification and shows a good level of quality									
	I have used a range of processes correctly and skilfully to produce a well-made product accurately and correctly. My product meets the design brief / specification and shows a good level of quality and precision									

Lesson	Learning Focus	Assessment
1	What is Textiles? Health and safety and equipment	
2	What are embroidery stitches and applique?	
3	How to use a sewing machine safely	Health & Safety React remember spellings
4	Fibres and their properties	
5	6 R's	
6	Design context, project brief and analysis	
7	Initial design ideas and final	
8	Create a template for your monster	
9	Manufacturing stages for making a textile monster	Knowledge test
10	Manufacturing stages for making a textile monster	
11	Manufacturing stages for making a textile monster	
12	Manufacturing stages for making a textile monster	
13	Manufacturing stages for making a textile monster	
14	Manufacturing stages for making a textile monster	
15	Manufacturing stages for making a textile monster	
16	Manufacturing stages for making a textile monster	
17	Manufacturing stages for making a textile monster	Project Manufacture
18	Evaluation
