

## Threatened World - Learning Journey

| GEOGRAPHY Y7     |  | Baseline Position |   |   |   |   |   |   |   |   |
|------------------|--|-------------------|---|---|---|---|---|---|---|---|
| Topic            | ELEMENT  | Step              |   |   |   |   |   |   |   |   |
|                  |  | 1                 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 |
| Threatened World | I can identify the 4 layers of the TRF   |                   |   |   |   |   |   |   |   |   |
|                  | I can describe the characteristics of the 4 layers of the TRF  |                   |   |   |   |   |   |   |   |   |
|                  | I can draw and interpret a climate graph for the TRF   |                   |   |   |   |   |   |   |   |   |
|                  | I can compare my life to the life of tribal people   |                   |   |   |   |   |   |   |   |   |
|                  | I can describe and begin to explain how plants and animals adapt to living in the TRF                              |                   |   |   |   |   |   |   |   |   |
|                  | I can begin to explain the causes of deforestation   |                   |   |   |   |   |   |   |   |   |
|                  | I can outline the advantages and disadvantages of humans using the TRF and explain how they change the environment |                   |   |   |   |   |   |   |   |   |
|                  | I can analyse the impacts of deforestation   |                   |   |   |   |   |   |   |   |   |
|                  | I can evaluate the sustainable management of deforestation   |                   |   |   |   |   |   |   |   |   |

| Lesson    | Learning Focus   | Assessment    |
|-----------|--|---------------|
| TW1 & TW2 | Where are TRF's? What is the structure of the TRF?     |               |
| TW3       | What is the climate of the TRF?                        |               |
| TW4       | How do indigenous tribes use the TRF?                  |               |
| TW5       | How have plants & animals adapted to the TRF?          | Exam Question |
| TW6 & TW7 | How do we exploit the TRF?                             | Exam Question |
| TW8       | What are the impacts of deforestation?                 |               |
| TW9       | How can we manage TRF's using sustainable development? |               |
| TW9       | Decision making exercise on the management of TRF.     | Exam Question |
|           | Assessment.  |               |
