Dear Parent/Carer,

Our academy works in partnership with Go Higher West Yorkshire who are an organisation that provide activities for our pupils as part of the Uni Connect Programme (formally known as NCOP). The Uni Connect programme is a national initiative funded by the Office for Students which offers activities, advice and information on the benefits and realities of going to university or college. Your child may have already taken part in some activities as part of the Uni Connect programme and may take part in future activities. Funding provided by the Uni Connect programme has paid for;

- Bespoke subject support, for example, My Tutor sessions for Maths
- Trips to Universities and Colleges such as the Cambridge residential
- Talks and Workshops

And many other sessions and events which enrich and enhance your child's experience at the academy.

To help Go Higher West Yorkshire report on the Uni Connect programme to the Office for Students, the academy has agreed to share some of your data with them. More information about what data will be shared, and about your rights can be found in the attached **HEAT Information Sheet and Privacy Notice**. Please take the time to read this document, as it provides all the information about how the data will be used, and what to do if you object. Please note that if you are a parent or carer of a young person under 16 you can exercise the rights set out in the Privacy Notice on their behalf.

If you do not object to this data sharing you do not need to take any action

Yours faithfully

Mrs S Martin
Higher Education Progression Officer
