10th November 2020

Dear Parent/Carer

YEAR 11 VIRTUAL PARENTS' EVENING
THURSDAY 19th NOVEMBER 2020 5.00pm-8.00pm

I would like to offer you the opportunity to meet your child's teachers virtually at our Y11 Virtual Parent's Evening on Thursday 19th November 2020. Due to current restrictions and guidance, the evening will be held virtually but will follow the same protocol that face to face parents' evenings have done in previous years.

Parents will need to book appointments on-line using the usual booking system (please see attached sheet). This is the system that will be used for the virtual parent's evening and the video chat will function through this website. On the evening of the parent's evening, **it is recommended that you log into the booking system 5 minutes before the time of your first appointment.** The system should then run a countdown screen until each appointment.

The appointment system will open at 6.00pm on Tuesday 10th November 2020 and close at 12.00pm on 18th November 2020. Slots are available on a first come first served basis. If you do not have internet access please contact your child's Head of Year.

During the appointments, teachers will be able to discuss your son/daughter's latest report, review their performance and discuss how your child should prepare for their mock exams. You will be receiving a copy of your child's latest report in the post before the parent's evening.

In order to access the parents evening, you will need a suitable device (this could be a phone, tablet, laptop, computer or even kindle – just something that can access the internet and has a microphone and a camera). If you do not have access to this, please inform reception and we will arrange for your child's teacher to contact you via telephone on another occasion. We expect all parents to book an appointment either virtually or on the telephone. If you are unable to do so, please contact me directly on pyoung@castlefordacademy.com.

As the appointments are virtual, there will be an allocated time for each appointment. Each appointment is five minutes long. At the end of the five minutes the system will end the virtual call to allow the teacher to move to the next appointment. This is determined by the system. If you feel that there are other matters you would like to discuss but will not have time, you can book an appointment with myself or email me directly on the email address above. We recommend logging onto the system prior to your booked time, this will ensure that you do not miss any of the time you have been allocated.

We ran a successful trial of the system with our Y7 Form Tutors Parent's Evening but this Y11 Parent's Evening is logistically much more complicated. If you have log-in, connectivity issues or the video chat does not work on the evening, please ring the academy on 01977 605060 immediately and we may be able to support you for the further appointments. Unfortunately, due to the nature of the system, if you miss an appointment, it is not possible to rearrange as the teacher will be moved on by the system to their next appointment.

If you have any questions regarding the evening then please do not hesitate to contact me at school.

Thank you for your continued support.

Yours faithfully

Mr P Young
Head of Year 11
