4th November 2020

Dear Parent/Carer,

Due to the national restrictions which come into force on Thursday 5th November, it will no longer be possible for the academy to allow pupils in Year 10 and Year 11 to leave the academy site during the lunch period. This will need to continue until the national restrictions have been lifted on the 2nd December.

As part of the risk assessment process, we have carefully reviewed the government guidance and in order to ensure full compliance with the national restrictions, allowing large groups of pupils to gather outside of the academy building at lunch time is not possible.

Please be aware that additional space will be made available within the academy to cater for each year group safely within their year group bubble.

We apologise for the short notice and we would ask that your child brings either a packed lunch to school or has sufficient money on their school account to purchase food.

We realise that this will be disappointing for pupils and we hope that this is a short-term adjustment to our lunch-time arrangements. We thank you for your understanding and co-operation during these challenging times.

Yours faithfully

Mr G Panayiotou
Headteacher

Yours faithfully
