

### **Design Brief**

Design a new house that will compliment Ben Baileys existing properties.

### **Specification**

- The house must fit in with the existing styles offered by Ben Bailey.
- It must fit on the Clowne site plan in Chesterfield.
- It must include a floor plan for lower and upper floors.
- Must produce a 3D rendered likeness of the house using appropriate software.
- Must produce an artists view of the property in 2 point perspective.

### **Checklist**

- Constraints on design
- 2 point perspective sketches of the property
- Final design
- Sketch up rendered house
- Floor plans done in Home Styler
