Dear Parents/Carers

BTEC Assessments Update February 2020

The Department for Education have announced that the BTEC exams scheduled to take place in February or March this year will no longer take place. This decision has been made in line with the tightening of national restrictions and is in place to make sure that all pupils and staff stay safe.

We know that pupils will be disappointed as they have been working hard towards their assessments.

The exam board have reassured schools that arrangements will be put in place for pupils who are now unable to take their external assessments to ensure they are not disadvantaged. So, those expecting to complete their qualification this year will be able to progress normally.

By the end of this week, Ofqual will start to consult on arrangements for issuing grades this year. As soon as we have more information we will share it with pupils, parents and carers.

In the meantime, Mrs Radecki and Mrs Stanley will let you know what areas of the course you should focus on as part of your remote learning.

Yours faithfully

Mrs D Cook
Associate Headteacher

Healthy Schools
