

Mr G Panayiotou – Headteacher
Mr John McNichol – Chair of Governors

Castleford Academy
Ferrybridge Road
Castleford
WF10 4JQ
Tel: (01977) 605060

Our Ref: GP/NF

Dear Parent/Carer

In my last letter, I wrote to you to explain about the Trust Board amending my title to better reflect my role at the academy. Part of my CEO role requires me to work at other schools in the Trust, including local primaries. This is to ensure that Castleford Academy Trust standards are reflected across all schools.

To support me in continuing to maintain standards at Castleford Academy, and to ensure continuity for pupils, parents and staff, I have discussed and agreed with the Trust board the appointment of a Headteacher to lead Castleford Academy. The Headteacher would be solely based at Castleford Academy and would be committed to Castleford Academy values and providing the very best education for the children in the Castleford Community.

The new Headteacher will work closely with both me (as CEO & Executive Headteacher) and Mrs Cook (as Secondary Director of Education) to ensure that standards are maintained across the academy. As long-standing members of staff (working at the academy for almost 40 years between us!) both Mrs Cook and I remain totally committed to Castleford Academy and to maintaining the standards and level of education, support and care that you, as parents and carers, have come to expect from us. We will continue to be based at Castleford Academy and will continue to be a highly visible presence around the academy building and in the local community.

This is an exciting time for the academy and will create the opportunity to appoint a dynamic and hardworking Headteacher who is fully committed to our vision and values. The Headteacher position will be advertised over the coming weeks with interviews taking place later this half term. I will continue to keep you up to date with any developments concerning the role and the successful candidate.

Thank you for your continued support.

Yours faithfully

Mr G Panayiotou
Executive Headteacher

Healthy Schools
