Working Standing outside
 of factories

What country are the soldiers from?
France Germany

Which country do you think they are in?

Britain Germany France

Why do you think the French are in this country?

Which country made this source? Why?

Is this source reliable?
(Trustworthy)

Yes- It shows us what happened

No- It was made by the French so it is only showing their point of view.

The caption at the bottom says: 'At the gates of every public building and factory, the blue helmets of our soldiers remind the forgetful Germans of France's rightful claims.'

Extension: Is this source useful? Does it tell the whole story of this event? What could it have missed out?

Yes- It is telling the full story about the German people and the French soldiers

Partly- It is showing what happened in this area. However, it is missing.....
