

What are the aspects of marriage?

This task is challenging you to consider what you already know about a wedding.

What do I already know about the features of marriage?

What do I already know about the purpose of marriage?

What do I already know about the importance of marriage?

• Think about your own experiences-

- *have you ever been to a wedding?*
- *have you seen a wedding on TV / film?*
- *has someone told you about /shown you pictures of their wedding?*

You do not need to have experienced something to have prior knowledge on it.

Out of the entire ceremony what aspect do you consider the most valuable? What one aspect would you want your wedding to include.

EXT – Why might an atheist not value the concept of a marriage?

Wives, submit yourselves to your own husbands as you do to the Lord. For the husband is the head of the wife as Christ is the head of the church, his body, of which he is the Saviour.

Now as the church submits to Christ, so also wives should submit to their husbands in everything. Husbands, love your wives, just as Christ loved the church and gave himself up for her to make her holy, cleansing her by the washing with water through the word, and to present her to himself as a radiant church, without stain or wrinkle or any other blemish, but holy and blameless. In this same way, husbands ought to love their wives as their own bodies. He who loves his wife loves himself. After all, no one ever hated their own body, but they feed and care for their body, just as Christ does the church— for we are members of his body. “For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh.” This is a profound mystery—but I am talking about Christ and the church. However, each one of you also must love his wife as he loves himself, and the wife must respect her husband. **Ephesians 5:22-33**

Explain two reasons why the incarnation is important to Christians today

Christians may feel that the incarnation is important today because God on earth, as a human, means Jesus experienced human issues so the advice in the Bible is relatable.
Another reason why the incarnation is important today is because they can see a God who loves them, enough to sacrifice his human life for them.

(___/4 marks)

Explain two reasons why the belief in eschatology affects a Christian's life.

Refer to a SOWA in your answer.

The belief in eschatology affects a Christian's life because it encourages Christians to live a happy life, like being kind to everyone so they can go to heaven.

Another reason why eschatology affects a Christians life is because it teaches Christians to practice Jesus' teachings, such as, 'love thy neighbour' because there is a consequences of hell if not.
