Cult of personality

A **cult of personality** is where a leader uses propaganda to convince people to worship him or her, and treat them like a god.

- List the ways that Stalin built a cult of personality in Russia when he was leader.
- List the ways that Napoleon built a cult of personality in Animal Farm in the first half of Chapter 8.
- If Stalin and Napoleon used similar techniques, place them in the same row.

How Stalin built a cult of personality	How Napoleon built a cult of personality
