

## READING

You will be able to take quizzes for this academic year up until **FRIDAY 1st JULY 2022**. We will then close the system to allow us to compile all the reports that we normally use and to prepare all the system for the next academic year, 2022-2023.

The next academic year (2022-2023) will then be live from **MONDAY 18<sup>th</sup> JULY 2022**. This means that you will be able to take quizzes from this date and during the whole of the Summer holidays. Any quizzes completed in this period will count towards targets for quizzes passed and word counts for the next academic year.

We would encourage you to read over the Summer holidays and to take quizzes as soon as you have read a book. You can check whether a book is on the Accelerated Reader system by going to [www.arbookfind.co.uk](http://www.arbookfind.co.uk) You will be asked to select who you are so select 'Student' The next page allows us to search by either the title of the book or the author's name. If the book is on Accelerated Reader, it will show under 'Search Results' and you can note down the quiz number from the book's details.

If a book that you have read is NOT on Accelerated Reader, you can submit a Book Review for the book. You must include the book title, author name, a brief synopsis of what the book is about, what you liked about the book, anything you didn't like about it and also who you would recommend the book for. Please email completed Book Reviews to [jpattison@castlefordacademy.com](mailto:jpattison@castlefordacademy.com)

Enjoy reading!
