Dear Parent/Carer,

As you are aware, as part of our efforts to support your son/daughter to achieve their very best GCSE results, subjects set weekly after school boosters which pupils are required to attend. These boosters are crucial as they allow any gaps in knowledge to be addressed through intervention and are proven to have a significant and positive impact on pupils knowing more and being able to do more.

Pupils have been given a lesson 6 timetable and will be made aware if they are required to attend a booster by being a given letter to take home to inform parents by that subject. Pupils have also been made aware that failing to attend a booster without an absence note will lead to lunchtime detentions.

Please ensure that your son/daughter attends all their required boosters, as it would be disappointing for your son/daughter to miss out on important subject content.

We appreciate your continued support.

Yours faithfully

**Mr L Holmes**  
Assistant Headteacher
