Wednesday 30th November 2022

Dear Parents/Carers,

YEAR 11 MOCK EXAMINATIONS INFORMATION

I am writing to thank you for the outstanding start our Year 11 pupils have made in their mock examinations in the majority of subjects that they study between Monday 28 November to Wednesday 14 December.

Following the changes to exams in previous years, mock exams are more important than ever. It is vital that pupils are able to sit a full set of mock exams because exams will play a crucial part in improving pupils' exam technique, building confidence and allowing teachers to identify gaps in knowledge which can then be addressed in lessons and in after school boosters.

Pupils have been given a mock exam timetable which informs them of the dates and times of their mock exams. When pupils are not in an exam they will attend normal timetabled lessons. Most exams will take place in the sports hall, where this differs due to access arrangements, pupils will be directed accordingly to alternative rooms. This morning, pupils have all been informed of the arrangements and expectations for the mock examinations and will be provided with a daily exam bulletin in form which will provide the information they need each day.

I want to thank all those parents who were able to attend the recent Y11 parents evening. It was really important for our pupil's progress that parents/carers get an opportunity to speak to our staff face to face to help provide support for these mock exams.

I can't over emphasize the importance of us all working together to ensure your child achieves the very best outcomes they possibly can. Pupils will receive their mock results on the 13th January.

There will be another opportunity for parents and carers to come into the academy to discuss your child's progress on the 30th March. I would encourage all to attend this extremely important evening.

I would like to take this opportunity to wish your child the very best of luck in their exams. Thank you in advance for you continued support, should you have any queries please do not hesitate to contact the academy.

Yours faithfully,

Mr W Bush
 Headteacher
